We could bring a blanket for the grass,
Cover up your eyes so you don't see.
If you let me go I'm running fast,
1,2,3 count 1,2,3
We could watch the blackbirds cross the skies,
We could count the leaves left on the trees,
We could count the tear drops in our eyes,
1,2,3 yeah 1,2,3
1,2,3 yeah 1,2,3
Now you know, now you know how I feel
and I won't back down

Prick your finger on the spinning wheel,
But don't make a sound.
A drop of blood and now you're taken,
For all time.
With a kiss you will awaken,
And you'll be mine,
you'll be mine,
you'll be mine.

I could always stay and work it out,
Wondering if you still wanted me?

But there are so many things to doubt,
1,2,3 count 1,2,3
Think that for a moment you were mine,
I know that you saw what we could be,
But then you went and changed your mind,

1,2,3 yeah 1,2,3
1,2,3 yeah 1,2,3
Now you know, now you know how I feel
and I won't back down

Prick your finger on the spinning wheel,
But don't make a sound.
A drop of blood and now you're taken,
For all time.
With a kiss you will awaken,
And you'll be mine,
you'll be mine,

you'll be mine.
you'll be mine,
you'll be mine.
you'll be mine,
you'll be mine.
