Didoo, didoo, oh

Everydays a party (Everydays a party)  
When youre chillin wit your homies (Ooh, oh)  
Not a care in the world  
When you roll wit your girls  
On the doves everybody show love to you (Show you love)

Woke up this morning  
When my girls called me  
They said to get dressed in your best  
Thats when I said, "Lets ride"  
Hop in the back seat, new clothes, stoppin traffic  
Were too cold  
You know the heads are turnin where we roll

Me and my girls, we ridin (Ridin)  
Were teenage girls we glidin (Glidin)  
Just havin fun and were ridin  
Cause its what we do

Neighborhood party jumpin (Uh)  
And anything can happen (Uh)  
But nobodys trippin

Were rollin tough, gettin it up

As soon as we pass by

Me and my girls are groovin  
It aint nothin to us

Everydays a party (Were just havin fun)  
When youre chillin wit your homies  
Not a care in the world  
When you roll wit your girls (Yeah)
