Ooh

This one's going out to our delicate little 13-year-old

Flower

Welcome to womanhood

Strollin' in the park

Watchin' winter turn to spring

Walkin' in the dark

Seein' lovers do their thing

Yeah

That's the time

I feel like makin' love to you

Scooby do do do do

That's the time

I feel like makin' dreams come true

Oh baby

When you talk to me

When you're moaning sweet and low

Ooh ooh

When you're touchin' me

And my feelings start to show

It grows, we all know, don't you know

That's the time

I feel like makin' love to you

Scooby do do do do

That's the time

I feel like makin' drigity dreams come true

Oh baby

In a resturant

Holding hands by candle light

While I'm freaking touching you

Wanting you with all my might

Is that all right cause

I feel like making L-O-V-E-T-O-Y-O-U

Scooby do do do do

That's the time

I feel like makin' drigity dreams drigity dreams come

True

Oh baby

In a resturant

In a sushi bar

In a high school bus
In the back of your mama's car
On a trampoline
In the middle of a putting green
Any where, near or far
Right here at this bar-mitzfa
That's the time
I feel like makin' love to you
That's the time
I feel like making drigity dreams oh oh come true
Oh baby ooh
