When IÃ¢â¬âm standing next to you  
ThereÃ¢â¬âs a song to sing , I know  
everythingÃ¢â¬âs feeling right  
When IÃ¢â¬âm standing next to you  
Steeple bells ring only good things do I see  
When youÃ¢â¬âre next to me

When I hold your hand in mine  
Different world wakes, a new morning breaks with the  
sun  
When I hold your hand in mine  
ChildrenÃ¢â¬âs reaching flight through a star lit  
night thatÃ¢â¬âs what I see  
When youÃ¢â¬âre next to me

This love for you IÃ¢â¬âm feeling, has a power that  
is healing  
It can mend the darkest hour with glorious light

When I taste your lips so sweet  
I see beggars dine and the sands of time up and stuff  
When I taste your lips so sweet  
Black and white bend, every dog lands at your feet  
When youÃ¢â¬âre next to me

This love for you IÃ¢â¬âm feeling, has a power that  
is healing  
It can mend the darkest hour with glorious light

When IÃ¢â¬âm lying next to you  
I feel moonbeams burn, I see rainbows turning to gold  
When IÃ¢â¬âm lying next to you  
I hear Angels play, I see sweeter days, I see rivers wind  
Through the end of time  
I see hatred fall from the highest hill  
I see GodÃ¢â¬âs good grace shining in your eyes,  
thatÃ¢â¬âs what I see  
When youÃ¢â¬âre next to me
