Sunshine,
There aint a thing that you can do that's gonna ruin my
night.
(But there's just something about you.)

This dizzy dreamer and her bleeding little blue boy,
Licking your fingers like you're done and,
You decided there is so much more than me.

And baby honestly it's harder breathing next to you,
I shake,
I brought a gun in as the preacher tried to stop me,
Hold my heart it's beating for you anyway.

What if I can't forget you?
I'll burn your name into my throat,
I'll be the fire that will catch you.
What's so good about picking up the pieces?
None of the colors ever light up anymore in this home.

Nobody prays for the heartless.
Nobody gives another penny for the selfish,
You're learning how to taste what you kill now.

Don't mind me, I'm just reaching for your necklace.
Talkin to my mama bout this little girl from Texas.
What if I can't forget you?
I'll burn your name into my throat,
I'll be the fire that will catch you.

What's so good about picking up the pieces?
None of the colors ever light up anymore in this home.
Just get on back to me,
You know I can't afford the medicine that feeds what I
need.

So baby what if I can't forget you?
(What if I can't forget you?)
Am I invisible ink,
Like a shadow on the wall,
Just go, oh no.
You can't just throw me away.

So what if I can't forget you?
I'll burn your name into my throat.
I'll be the fire that'll catch you.
And what's so good about picking up the pieces?
What if I don't even want to?

Oh, oh. Oh, oh. Oh. Oh, oh. Oh, oh, oh. Oh, oh. Oh, oh.
Oh.

What if I can't forget you?
I'll burn your name into my throat,
I'll be the fire that'll catch you.

What's so good about picking up the pieces?
None of the colors ever light up anymore in this home.

Just get on back to me,
You know I can't afford the medicine that feeds what I
need.

So baby what if I can't forget you?
(What if I can't forget you?)

What's so good about picking up the pieces?
What's so good about?
What's so good about?
What's so good about picking up the pieces?
