She sits up high,  
Surrounded by the sun.  
One million branches and  
she loves every one.  
Mom and Dad,  
Did you search for me,  
I've been up here so long,  
I'm going crazy.

And as the sun went down,  
We ended up on the ground.  
I heard the train shake the windows  
You screamed over the sound.  
And as we own this night,  
I put your body to the test with mine.  
This love was out of control,  
3-2-1 where did it go?

Now don't be crazy, yes now,  
Of course you can stay here  
been in a touring band for going on ten years  
"Big deal," She said, " i guess you're official"  
I only said it 'cause I know what it's like to feel

**BURNED OUT**  
It gets you down,  
We've all been there sometimes  
But tonight I'll make you feel beautiful once again.

And as the sun went down,  
We ended up on the ground.  
I heard the train shake the windows  
You screamed over the sound.  
And as we own this night,  
I put your body to the test with mine.  
This love was out of control,  
3-2-1 where did it go?

If I were you, I'd put that away  
See, you're just wasted  
And thinking about the past again  
Darling, you'll be okay.

She said,  
"If you were me, you'd do the same  
'cause I can't take anymore  
I'll draw the shades and close the door  
Everything's not alright and I would rather...."

And as the sun went down,  
We ended up on the ground.  
I heard the train shake the windows  
You screamed over the sound.  
And as we own this night,  
I put your body to the test with mine.  
This love was out of control,  
Tell me, where did it go?
