If you call me at all,  
Don't tell me that I'm ordinary,  
Cause I won't be passing you, please don't leave  
And if you tell me you're listening to everything you  
read

Turn off this light and call my name  
Don't talk just ride  
Who wouldn't let you be all about  
About me  
I'm only trying to work this out

If you call me at all,  
Don't tell me that I'm ordinary,  
Cause I won't be passing you, please don't leave  
And if you tell me you're listening to everything you  
read  
If you call me at all...

I hear you breathing on the line  
Oh baby girl I'm not your type  
I leave you hurting every night  
So I won't be coming back  
Who wouldn't let me be all alone  
Who wouldn't let me be all alone  
Who wouldn't let you scream ohh into a soft pillow

I'm such an animal  
And baby honestly these teeth won't let you go

Don't tell me that I'm ordinary,  
Cause I won't be passing you, please don't leave  
And if you tell me you're listening to everything you  
read  
If you call me at all...
