This city seems so cold; the bitter wind is blowing
harder into a storm
But you just need to say
On and on and on and on and on
But you just need to say
On and on and on and on and on
Yeah!

No you're not alone (No you're not alone)
No you're not alone (No you're not alone)
Save me (save me)
Save me (save me)

You're walking on your own
But you don't really know
Where you need to go
But you just need to say
On and on and on and on and on
But you just need to say
On and on and on and on and on
Yeah!

No you're not alone! (No you're not alone)
You know you're not alone (You know you're not alone)
Save me (Save me)
Save me (Save me)
You know you're not alone (No you're not alone)
You know you're not alone (No you're not alone)
Save me (Save me)
Save me! (Save me)

On and on and on you're all I needed
Oh you know, you know it's all we've got
Know I'll be there just to stop the bleeding
Know you'll be there waiting for the drought

Know you're not alone
You know you're not alone
Save me (save me)
Save me (save me)
You know you're not alone

You know you're not alone
Save me (save me)
Save me (save me)
