Goodbye you drama queens,  
And mama's boys  
You dirty fiends  
And filthy whores  
When I'm alone that's cos I choose to be alone  
And all the thoughts I have are all all right  
And when you see your friends tonight  
Tell 'em that I died  
Why don't you tell 'em that I died  
Why don't you tell 'em that I died  
Oh won't you tell 'em that I died?

I trust my baby  
As ar as I can throw you on the fire to keep me warm  
When I'm alone that's cos I choose to be alone  
Bringing people's what your mother said  
Touch you in your bed at night  
Well tell 'em that she lied  
Why don't you tell 'em that she lied?  
Why don't you tell 'em that she lied?

Why don't you tell 'em that she lied?

Well preacher boy  
And choir girl  
And God existing in the world  
When I'm alone that's cos I choose to be alone  
If God exists then he's out of control  
Should be taken from the throne  
And I'm happy that he died, ha-ha  
I'm happy that he died, ha-ha  
I'm happy that he died

Well goodbye you drama queens  
And mama's boys  
You dirty fiends  
And filthy whores  
When I'm alone that's cos I choose to be alone  
And all the thoughts I have are all all right  
And when you see your friends tonight  
Tell 'em that I died  
Ha-ha well tell 'em that I died

Ha-ha well tell 'em that I died
