And now I'll make it on my own!  
O-o-o-o (?X)

I'm gonna make it on my own! (2X)  
I know I'll find my own way  
Things can (...)  
And now I'll make it on my own! (2X)

Like a fallen angel  
I know I am alone  
And if only I knew  
Which way I have to go  
Don't look back, to the past  
Crying my last tear  
Look ahead, moving on  
I've nothing left to fear

I'm gonna make it on my own!  
I know I'll find my own way  
Dreams can carry on  
And now I'll make it on my own!

Make it on my-my (?X)

Like a fallen angel  
I know I am alone  
And if only I knew  
Which way I have to go  
Don't look back, to the past  
Crying my last tear  
Look ahead, moving on  
I've nothing left to fear

I'm gonna make it on my own!  
I know I'll find my own way  
Dreams can carry on  
And now I'll make it on my own!

On my-on my (?X)

Make it on my-my (?X)
