Mama Mia

I've been cheated by you since I don't know when

So I've made up my mind it must come to an end

Look at me now, will I ever learn

I don't know how, but I suddenly lose control

There's a fire within my soul

Just one look and I can hear a bell ring

One more look and I forget everything, Oh

Mama mia, here I go again

My my, how can I resist ya

Mama mia, does it show again

My my, just how much I missed ya

There's something broken-hearted

New since the day we parted

Why why, did I ever let you go

Why why, did I ever let you go

S.O.S.

So when you're near me

Darling can't you hear me

S.O.S.

The love you gave me

Nothing else can save me

S.O.S.

When you're gone

How can I even try to go on

When you're gone

Though I try, how can I, carry on

Knowing me Knowing you

Knowing me, knowing you

There is nothing we can do

Knowing me, knowing you

We just had to face it this time,

We're through

Breaking up is never easy, I know

But I had to go

Knowing me, knowing you

It's the best I can do

Take A Chance

If you change your mind

I'm the first in line

Honey I'm still free

Take a chance on me

If you need me, let me know

Gonna be around

If you've got no place to go

When you're feelin' down

Take a chance on me

Take a chance on me

Fernando

There was something in the air that night

The stars were bright, Fernando

They were shining there for you and me

For liberty, Fernando

Though we never thought that we would lose

There's no regret

If I had to do the same again

I would, my friend, Fernando
