Hmm ...

... ..

There shines a light in the heart of man,
Defies the dead of the night,
A beam that glows within every soul
Like wings of hope taking flight.

A sunny day, when a baby's born,
The little things that we say,
A special sparkle in someone's eye,
Simple gifts, every day.

Somewhere there's a paradise
Where everyone finds release,
It's here on earth and between your eyes,
A place we all find our peace.

Refrain:

Â Â Â Â Come - open your heart,
Â Â Â Â Reach for the stars,
Â Â Â Â Believe your own power.
Â Â Â Â Now - here in this place,
Â Â Â Â Here on this earth,
Â Â Â Â This is the hour.

It's just a place we call paradise,
Each of us has his own,
It has no name, no, it has no price,
It's just a place we call home.

A dream that reaches beyond the stars
The endless blue of the skies,
Forever wondering: who we are?
Forever questioning: why?

Â Â Â Â {Refrain}

There shines a light in the heart of man,
Defies the dead of the night,
A beam that glows within every soul
Like wings of hope taking flight,
Like wings of hope taking flight.

Submitter's comments:Â

The melody (not the song) was done in 1992 by the Greek electronic composer and artist Vangelis
