Put on your white sombrero  
Saddle your horse my dear  
And ride off into the sunset  
You'd better go  
For there is no  
Place for you here

Like an old fashioned hero  
You stand before me  
You think our life is a movie  
My world is real  
I live and feel  
And I can do without you

...

Put on your white sombrero  
Like all the cowboys do  
Go find a sweet seÑorita  
Somebody meek  
Who'll never speak  
Harshly to you

You're such a caballero  
Proud, never bending  
I want someone who will take me  
Just as I am  
I need a man  
Who is in rhyme  
With his time

You'll never take me  
Just as I am  
I need a man  
Who is in rhyme  
With his time
