Lie empire blinds your mind
Don't you know that the sisters
Were sacrificed to hide conspiracy?
Misinformation, lies and deceit
Destroy your symbol
And made the crying world
To justify thousands of civilians killed in war
Fight the war, fuck the norm, oppose your mind
Find the truth, black gold's mask,
That's the war, cannot accept all sacrifice
For US government pride
Fight and start revolution
Fight and paint da rebellion
Fight and start revolution
Fight and break down your president
Lie empire blinds your mind
The truth is dressed in disguise
Feeding the people with lies and fear
Exchange blood for oil and money
Destroy your symbol and made the crying world
To justify Thousands of civilians killed in war
Back da fuck up danforth is here
I represent crime in hell familia
Burn or Fight..
Don't you know that the sisters
Were sacrificed to hide conspiracy?
