Kiss Of Death (Richard Evenlind)

Kiss of death  
Slit my throat  
Or just put the rope around my neck  
Leap of faith, trippin'  
Smack flat on the floor  
No, there is no way back from here

You sure planted something  
And one you planted on me

The kiss of death  
Burning through my skin  
Drippin', slidin'  
Kickin', fightin'  
I'm all drained out, i'm hollow

The kiss of death  
Holding all the cards you win  
The plague i feel it  
Death comes screaming  
Black hole comes to swallow  
The kiss of death  
The kiss of death

Burn you witch  
I can't get out  
Stuck on a one way straight to hell  
Design the stone  
And hang it around my neck  
You know pain far too well

You sure planted something  
And one you planted on me

The kiss of death  
Burning through my skin  
Drippin', slidin'  
Kickin', fightin'  
I'm all drained out, i'm hollow

The kiss of death  
Holding all the cards you win  
The plague i feel it  
Death comes screaming  
Black hole comes to swallow  
The kiss of death  
The kiss of death

Kiss of death

Solo Richard  
Solo Ryan

The kiss of death  
Burning through my skin  
Drippin' , slidin'  
Kickin' , fightin'  
I'm all drained out, i'm hollow

The kiss of death  
Holding all the cards you win  
The plague i feel it  
Death comes screaming  
Black hole comes to swallow  
The kiss of death  
The kiss of death
