Chorus 1

where is that boy
where did he go
where is that boy
where did he go
where is that boy
where did he go
where is that boy
where did he go

Verse 1

I won't lie, i can't stand for this
i got to believe but i believe i've been missed
it's about the line you run your mouth all night
it's 7:30 and you don't feel quite right
left home to be with the white ones
daddys worried because your friends aren't the right
ones
but you've got your head
and the music's just a toy
tell me, tell me, where is that boy

Chorus 1

be he had a son, the government took him away

a soft spot
how much does the foster coster
sniff, sniff, smoke, smoke
he lost ya
where is that boy

Chorus 2

sniff there goes your self esteem
boy - there goes your self esteem
where is that boy
where did he go

Repeat Verse 1

if you won't to ride don't ride the white horse
she likes me high, she likes me low
she likes me where i'm going, and i'm going to show

i'll go back there

where's he at
where is that boy
