I'm the biggest hypocrite that I know  
I've ever known.  
You call me selfish, a shellfish,  
too much to deal with.  
And I don't get out much,  
and I don't get out much,  
and I don't get out much,  
and I don't get out much.  
It's getting hard to know who I really am,  
who I really am.  
Quick blink, turn yellow into red.  
5 placed on black square and I'm late again.  
It's too bad your face as it waits inside,  
can't fake much more as it breaks inside.  
Sick of being late again,  
sick of being late again,  
sick of being late again,  
sick of being late again.  
You're the biggest liar that I know,  
I've ever known.  
You call me selfish,  
you're the most selfish person that I've known.  
And you don't get out much,  
and you don't get out much,  
and you don't get out much,  
and you don't get out much.  
It's getting hard to know who I really am,  
who I really am.  
Quick blink, turn yellow into red.  
5 placed on black square and I'm late again.  
It's too bad your face as it waits inside,  
can't fake much more as it breaks inside.  
Sick of being late again,  
sick of being late again,  
sick of being late again,  
sick of being late again.  
Sick of being late again,  
sick of being late again,  
sick of being late again,  
sick of being late again.  
Quick blink, turn yellow into red.  
5 placed on black square and I'm late again.

Sick of being late again,  
sick of being late again,  
sick of being late again,  
sick of being late again.
