How would you feel
If I was
If I was too steal
The heart of another

Would we survive
If I was
If I was too drive
To the arms of another

Would you let me back in
Could we ever begin
To rebuild what we once had

Would you want me to show
Would you even wanna know
What drove me to
The arms of another

Would you stay
If I had
If I had lost my way
Or would you run to another

What if I wasn't there
Or what if
What if I didn't care
Would you run to another

Would I let you back in
Could we ever begin
To rebuild what we once had

Would I want you to show
Could I even bare to know
That I drove you to
The Arms of another

Is it anger or tears that I'd see on your face
Would you scream till your lungs bust
Would you walk out in disgrace
Could we ever rebuild

Would we start to recover
Or would we forever stand
In the shadow
The shadow of another
