Oh wash down on me cold water  
Iâ€™ve had the sun beating down on my skin  
Iâ€™ve had an ice cold burden on my back  
And a sandstorm burning my chin

Oh if the sky starts to fall on my head  
And the wind carries more of those lies  
I know thereâ€™s nothing that I havenâ€™t had

Since my life turned at the fountain of gold

Whenever you become rich someoneâ€™s jealous  
You found your love he wants to take her away  
Whenever you found your peace someoneâ€™s angry  
So I donâ€™t expect something else for myself
