Chorus: [Master P]

I'm going through some thangs
These bitch ass niggas got me goin' through some
thangs.

I'm going through some thangs
I'm going through some thangs
These bitch ass niggas got me goin' through some
thangs.

Verse 2: [Master P]

I close my eyes, I can't sleep, I visualize death
I seen my little homie get smoked like a cigarette
and these G's on the streets, enemies,
they'll take your life for a hundred C's
I mean a hundred dollars or less
the game gets so wicked that I wear a bulletproof vest
and now I'm grown, and they wonder why I'm crazy
Imagine feedin' tablets and beer to a baby
Never had a chance when I was 5
nigga took me in the car, took me on the ghetto ride
Cruisin' through streets that I've never seen
pull the clip off a 30 round magazine
Taught me how to deal with a triple beam
and ever since then I've been servin' dope fiends
I got the game in the bag that's so big
nigga see my nuts it's like two figs
swoll to the fullest,
in my heart to my vein, pumpk nickel plated bullets
and this ghetto got me stressed (stressed),
cuz niggas that you know (bitches) will rob you blind &
leave you to rest.

Chorus: [Master P}

I'm going through some thangs
These bitches and these niggas got me goin' through
some thangs

I'm going through some thangs
I'm going through some thangs
These bitches and these niggas got me goin' through

some thangs
I'm going through some thangs
I'm going through some thangs
These bitches and these niggas got me goin' through
some thangs

Verse 2: [Big Ed]

I hit that nigga with a AR-15, do it clean
back up in the lex, bumpin' Mia, with my mug mean
Bulletproof vest, Smith & Wess
for enemies fuckin' steppin' in my direction
I'm gonna teach these niggas a lesson.
Flexin' like an Anaconda, I'm stuffed like bombers
Hit ya step and get wet, then duck my doorway teck.
I holds my own like I'm pissin'
beef with us is death wishing, I put to work because
they didn't listen
They tryed to set me up, why did they push me?
Hook me up in the town with the killer pussy
rap me up between the sheets
nigga bust out the closet, but my 9 made 'em dead
meat.
I shot the hoe who set me up
I'm drivin' off mad because the niggas threw off my
nut
I'm going through a thang, ain't no thang though
cause before I left, I hit the set & took all the dope

Chorus: [Master P}

I'm going thorough some thangs
I'm going through some thangs
These bitches and these niggas got me goin' through
some thangs
I'm going through some thangs
I'm going through some thangs
These bitches and these niggas got me goin' through
some thangs

(Mr. Serv-On)

So if it seem, point the beam
Since a youngster, these niggas pushed my cemetery
dream
Lean my body if they could,
and wished ya die, I wished ya coward motherfuckers
would
Everyday, I thank god for my baby, she fall asleep on
my chest
but if her momma catch her callin' me daddy, she

whoop that ass
I'm not scared to blast, why my momma wish she never
had me?
She know these streets got me crazy
I'm hittin' my momma for some pocket change,
to stay one step ahead all these niggas in the game
My daddy, gangsterism pumpin' d up in my vein.
Should I kill a nigga for respect, or should I let him go?
and if I do, someone please close my eyes
when I'm layin' bleedin' on the floor
That's why I never trust a bitch
cause now a days these bitches carry an extra clip
Ready to knock ya head off for that paper
always down for a caper,
Mr. S-E-R-V
I'm going through some thangs, lord help me

Chorus: [Master P}

I'm going through some thangs
I'm going through some thangs
These bitches and these niggas got me goin' through
some thangs
I'm going through some thangs
I'm going through some thangs
These bitches and these niggas got me goin' through
some thangs

[Master P talks]

Going through somethangs, ya heard me?
I done made it out the ghetto
and every nigga that I know, that still there
Think I owe them somthing
and every motherfuckin' nigga that was down with me
or wanted to be, wanna be just like me
They think I owe them something
Every bitch I stopped fucking with,
thank I owe them something
Know what I'm sayin'?
Nigga can't even ride in his motherfuckin' car
Nigga can't even walk though the streets
without a motherfucker thinkin' a nigga who think he
owe him some
I got mine, and you can get yours
Motherfuckers in my family,
they think a nigga just got boo-coo money,
just a blown on them, just to give to a motherfucker
that don't wanna do nothing for theyselves
motherfucker
Be a real motherfucker, be a TRU nigga, get ya own

Damn, can't even mourn the dead anymore
without motherfuckers thinking if you a big nigga in the
hood
you must be stickin' prices on other niggas heads
But I'm bigger than that nigga
I got family in the Caliope, the Magnolia, and the Saint
Bernard nigga
