I've run out of answers, I've run out of time  
I'm so confused that I'm losing my mind  
It's gonna take a miracle to help me this time  
I'm travelling a road that has not one sign

Help me,  
Have mercy on me  
Set my soul free, please  
Let the bell in my heart ring  
This is my cry,  
This is my plea

I need an angel,  
I'm callin' an angel  
Send me an angel down

I'm carryin' a load that's too heavy for me  
I've nowhere to go so I'm down on my knees  
I'm tryin' to see the forest but there's this one dream  
I can't understand why I'm sinkin so deep

Help me,  
Have mercy on me  
Set my soul free, please  
Let the bell in my heart ring  
This is my cry,  
This is my plea

I need an angel,  
I'm callin' an angel  
Send me an angel down

Somethin inside of me,  
Tellin me the morning will come  
Oh, sometimes its hard to face the truth,  
So we run  
God, if you cared at all,  
Please dont let me fall by the waste side  
Please be my guide,  
Dont you lock my path

Take me,

Shake me,  
Mold me,  
Change me,  
Teach me,  
Feel me,  
Save me

I need an angel,  
I'm callin' an angel  
Send me an angel down
