Insecurity

Is coming over me

What am I gonna do now

Tell me, what's a boy to do?

If I let you go

Will you come back to me?

If I let you know

Just how I feel inside, would you just play games with
my mind?

Only Time Will Tell

Just how you feel about me

Only time will tell

Just open your heart and let me inside

I can handle the everyday

But sometimes love drives me crazy

My love for you

Is higher than the mountains, deeper than the sea

If I give you my heart

Would you play with it like a child's toy?

If I give you my whole heart

Promise you'd never do that

To this boy!

Only Time Will Tell

Just how you feel about me

Only time will tell

Just open your heart and let me inside

If I give you my heart

Would you play with it like a child's toy?

If I give you my whole heart

You'd never do that, to this boy!

Only Time Will Tell

Just how you feel about me

Only time will tell

Just open your heart and let me inside
