Work to home

Decided dont she go out  
Gentle with her words  
Shes the type of lady  
You gotta put in work  
Then Shawty she will cool down

Chorus:

Look at me how could it be  
Clearly under-estimated this girl  
Hold up babe just to get over me  
Unexpected out the gate  
She is an unusual Suspect  
I had no idea that baby she go working like she did  
Unusual suspect I feel like the star of the show  
The way she put it up for the kid  
Unusual suspect Who thought you go  
and love me like this, put it on me like this  
Unusual suspect Can't believe that you caught me  
Off guard like this suprise me like this Yeaah
