Sometimes I feel I lost my way
 Looking for something real
 In this life day by day
 I keep asking myself

Without love, where I'll be?
 Without a soul, where I'll be?
 Without a sound, without a sea
 Of my heartbeats filling me
 Of my heartbeats filling me

Where I'll be?
 Without love, where I'll be?
 Without a soul, where I'll be?
 Without a sound, without a sea
 Of my heartbeats filling me
 Of my heartbeats filling me
