Like taking candy from a baby
Sweet candy from a baby
I know you're daddy's girl
But it don't worry me
Won't you give me some sweet candy?
Like taking candy from a baby
Sweet candy from a baby
Let's get a little wild
Let's get a little crazy
Oh, open up, sugar
Let me in
You see, I know you're Momma's pearl
You're a pearl from the ocean of tears
I'm gonna steal that pearl
When she don't see
Won't you give me some sweet candy?
Let's get a little wild
Let's get a little crazy
Oh, open up, sugar
Let me in
Like taking candy from a baby
Sweet candy from a baby...
