Nothing's gonna change it (8x)

1.Strophe

Baby, I'm not guilty
I'm not guilty for you're pain
And we can talk it over
I'm not playing silly games

Nineteen miles from nowhere
We need the sun again
It's a creak of future
Let us soak again

Refrain

Ohh Baby
Nothing's gonna change it
Nothing's gonna change my love for you
Ohh Baby
Nothing's gonna change it
Nothing can take the place of you

Ohh Baby
Nothing but a heartache
When you're lonely heart brake, Baby bluw
Nothing, Nothing
Nothing's gonna change my love
