So I met my wonder boy and
Then he met my girlfriends ("yeah, yeah")
And you know how that goes
Friends can make you crazy ("Make you crazy")
With their- whatchya see in this guy
You should just say goodbye ("Just say goodbye")
Are you gonna wait around until he leaves you
Hangin' and cryin' to sleep
They just don't see what I see

He's Got me captivated, stimulated, totally exhilarated
It's a Radical Love
And when he holds me tight I feel so free
I close my eyes and I can see that
It's so Radical ("Oh it's so Radical")
It's such a Radical Love It's really got me goin'

Let me tell you girlfriends something ("What")
Better start believing
You're gonna wish that you were feelin'
What I'm feeling ("Whatcha feeling")
So I really don't need
No savin' ("Ooo yeah")
And I really don't need to
Hear the really bad things you're sayin'
'Bout my boyfriend ("Bout your boyfriend")
Girl I am feeling just right
I'll have him dreaming tonight

He's Got me captivated, stimulated, totally exhilarated
It's a Radical Love
And when he holds me tight I feel so free
I close my eyes and I can see that
It's so Radical ("Oh it's so Radical")
It's such a Radical Love.

Just because it's different
Doesn't mean it isn't everything I need
If I never find a reason, (If I never find a reason")
I will still believe ("I believe")
So I met my wonder boy and

He's Got me captivated, stimulated, totally exhilarated
It's a Radical Love
And when he holds me tight I feel so free
I close my eyes and I can see that
It's so Radical ("Oh it's so Radical")
It's such a Radical Love It's really got me goin'
