My confession is I've really never gave it my whole
heart
A little in reserve was the only way I knew to survive
Little did I know you were slowly breaking down my
resistance
Something changed
I'm not afraid

I'm FEARLESS
I'm Open
I'm ready to fall in
I'm Breathing this feeling,
You're my oxygen
Wait and see
You're gonna get
Every piece of me
I'm FEARLESS
When it comes to you

I never kiss & tell, but I can tell you anything when I'm
with you
You're the one only that's ever broken through my
disguise
Little did I know I'd brave enough to tell you my secrets
She'd my skin and let you in

CH

It feels so good, to be with you
I'm safe
No fear

Whoa

CHORUS x 2

Whoa

My confession is now I'm gonna open my whole heart.
