Chorus

Hey yeah, walking in the valley of decision  
Hey yeah, reap all the wages of sin

A big hollow man  
With a fistful of sham  
Came a-walking across the sea  
All leathery charms  
As he pinwheeled his arms  
And directed his gaze at me  
(He said)  
God will provide the way  
You read about it every day  
(I'm telling ya)  
All you gotta do is pray  
And furnish his house with silver

(Chorus)

Liberty's daughter  
Well primed for the slaughter  
A space where her brains had been  
All ribbons and curls  
She's a good hearted girl  
Broken by what she had seen  
(She says)  
Daddy don't you go away  
Stay with me and we can play  
(I'm begging ya)  
Do it just like yesterday  
And I can go home to Jesus

(Chorus)

(Chorus)

A regular Joe  
Who had nowhere to go  
A space where his home had been  
A bombing religion  
A blight on the region  
To fuel a pious dream

(And they said)  
God will provide the way  
You read about it every day  
(I'm telling ya)  
All you gotta do is pray  
And furnish his house with silver

(Chorus)
