I could have got through anytime  
Cold lonely puritan  
What are you fighting for  
It's not my security  
It's just an old war  
Not even a cold war  
Don't say it in Russian  
Don't say it in German  
Say it in b ro ken En glis h  
Say it in...

Lose your father your husband  
Your mother your children  
What are you fighting for  
It's not my reality  
It's just an old war  
Not even a cold war  
Don't say it in Russian  
Don't say it in German  
Say it in b ro ken En glis h  
Say it in br ok en Eng li sh
