Oh she didn't bat an eye as I packed my bags to leave
I thought she would start to cry sit around my room and
weep
But you're the girl, she fooled me this time,
She acted like I was the last thing on her mind
I would like to start all over again
As I took those steps towards that open door
Knowing all the time oh lord I just didn't wanna go
But she didn't give me no sign, nothing that would
make
me change my mind, I would like to start all over again
Baby, can I change my mind, please, please, please,
baby
Oh I played my games, many times before
But people let me tell you all, oh I never reached that
door
But, oh, the wind is hard tonight,
I keep lookin' back but my baby's not in sight
I would like to start all over again
Baby, can I change my mind, please, please, please,
baby
Oh I played my games, many times before
But people let me tell you all, oh I never reached that
door
But, oh, the wind is hard tonight,
I keep lookin' back but my baby's not in sight
I would like to start all over again
Baby, can I change my mind, please, please, please,
baby
I just wanna change my mind.
