There's a place where we all go
To have a few when we feel low
To drink ourselves into a state
Drown our sorrow and fuel our hate

A Bombay beauty in a tight black dress
Pours our beer and cleans our mess
Answers to the name of Maggie May
When we see her what do we say?

Chorus :
Maggie May bring us another beer,
we need another beer,
Take away our troubles here
Maggie May bring us another beer,
we need another beer,
Take away our troubles here

There's a place where we all go
To have a few when we feel low
Been laid off been laid in
We've been locked out
We've been kicked in

A Bombay beauty in a tight black dress
Pours our beer and cleans our mess
Answers to the name of Maggie May
When we see her what do we say?

Chorus

... "Bring us another beer" ...

There's a girl that we all love
She's the one we're thinkin' of
Answers to the name of Maggie May
When we see her what do we say?

Chorus

... Bring us another beer! ...

There's a girl that we all love
She's the one we're thinkin' of
Answers to the name of Maggie may
When we see her what do we say?

Chorus
