YOU'RE THE REASON I'M LIVING

Bobby Darin

You're the reason I'm living  
You're the breath that I take  
You're the stars in my heaven  
You're the sun when I wake  
You're the reason I'm living  
Oh you carry me through  
All of life's little burdens  
I'd be lost without you

A long long time ago  
When I was down  
Wo-o-o you picked me up  
And showed me true love  
Still could be found

You're the reason I do things  
You're the things that I do  
You're the reason I'm livin  
I'd be lost without you

Come and tell me again  
You're the reason I'm living  
Oh you carry me through  
All of life's little burdens  
I'd be lost without you
