

## 6ths, The "Gravitate To Me"

I've been watching you for ages  
You're like a boat without a mast  
Struggling with the tide of destiny  
Between the future and the past

I am the lighthouse  
I am the sea  
I am the air that you breathe  
Gravitate to me

Through the ether and the mists of the mind  
You will come to me to lay by my side  
To stroke my hair, to cuddle my flesh  
And to quell the torrents in my subterranean depths

This world ain't strong enough to keep us from  
each other  
For we are kindred spirits, born to become earthly  
lovers

And while my vanity struggles against my integrity  
I find myself thinking, how deep runs my humanity?  
When held up against eternity?

I am the lighthouse  
I am the sea  
I am your destiny  
Gravitate to me

I know you  
From a previous incarnation
