Priests and fools say  
we are but animate clay  
but rude vessels  
housing immortal souls  
but the dead only quickly decay  
they don't go about being born and reborn  
and rising and falling  
like souffle  
the dead only quickly decay  
it would be swell  
to see some folks burn in hell  
but when they go  
it's just as pleasant to know  
that the dead only quickly decay  
they don't go about being born and reborn  
and rising and falling like souffle  
the dead only quickly decay
