

## 6ths, The "The Sinking Feeling"

All my books lay on the table -  
- waitin' to unfold.  
I sit & stare at my reflection  
- where the darkness dulls my bones.  
My head fills like a junk shop -  
- in desperate need of repair.  
The path of least resistance leads to the  
.....garbage heap of despair. (I think I'd better get  
back in bed!)

"I'm just a symptom of the moral decay -  
thats gnawing at the heart of the country"

You can't destroy your problems - by destroying  
yourself,  
DEATH - is not the answer for your soul may burn in hell

My memory my fond deceiver -  
- is turning all my past into pain.  
While I'm being raped by progress -  
Tomorrow's world is here to stay.  
(they wouldn't have it any other way)

Jeremy Meek - bass guitar  
Matt Johnson - synths, instruments, percussion, vocals
