Uncertain smile by The The

Peeling the skin back from my eyes  
I felt surprised  
that the time on the clock was the time  
I usually retired  
to the place where I cleaned my head of you  
but just for today  
I think I lie here and dream of you

I've got you under my skin where the rain can't get in  
But if the sweat pours out, just shout  
I'll try to swim and pull you out

A howling wind that blows the litter as the rain flows  
as street bups pour orange coloured shapes  
turn your windows  
A broken soul stares from a pair of watering eyes  
uncertain emotions force an uncertain smile
