I never thought that it would come to this  
The spike the spoon the darkening room  
Holed up in my mecca of misery - motel hell  
Dancing for the drunken, diseased and the doomed

\*I never dreamed it would come to this  
I never dreamed it would come to this  
I never dreamed it would come to this  
I never dreamed it would come to this  
Hot hole!  
Hot hole!  
Hot hole!  
Hot hole!

I never thought I would confide in you  
Suckled as I am by the righteous roots of envy  
And I never thought that it would ever ring true  
The more you help me the more I hate you

\*Repeat  
I never dreamed it would come to this  
I never dreamed I'd confide in you  
I never thought that it would ever ring true  
That you could hurt me the way I wanna hurt you  
I never dreamed it would come to this  
I never dreamed it would it would come to this  
Hot hole!  
Hot hole!  
Hot hole!  
Hot hole!

I never dreamed it would come to this  
I never dreamed it would come to this  
I never dreamed it would come to this  
I never dreamed it would come to this
