Why don't you do what I want you to do?

Why don't you see me the way that I see you?

Why don't you say what I want you to say?

Why don't you hurt me in that special way?

Come on and be my God

Come on and buy my gun

One is for killing

One is for fun

Too sad to walk away

It's too sad to say

Why don't you soak me in the stain of your twisted  
mind?

Why don't you coat me in the blood of your broken  
shrine?

Why don't you cut me the way I wanna cut you?

Why don't you fuck me the way I wanna fuck you?

Come on and be my God

Come on and buy my gun

One is for killing

One is for fun

Too sad to walk away

It's too sad to stay
