Â«Asalim, shakarim! QingÊ»ir-qiyshiq gaplaring
Yelkamga yukdur, jon-a!
Zaharli zabonda soÊ»zlagandan koÊ»ra
Boshginamni urib yor-a!Â»

Â«U vaziyatda hali gapim tugamas,
Maqtanchoqlingga ortiq sabrim chidamas!
"Kaptiva"da yurarmish, saroyda turarmish!Â»

Â«Turamanu yuramanu qattigÊ»imni uraman!Â»

Â«Samolyotda ucharmish, qasrlar koÊ»rarmish!Â»

Â«Yuraman, turaman, ikkiga urib suraman!
Chegaralar, chegaralar, chegaralar bormu
Qaysarliklaringga-ye?
Baribir, baribir seva-vera-veraman!
Yaxshisi, uyingga bor-e!Â»

Â«Chegaralar, chegaralar, chegaralar bormu
Qaysarliklaringga-ye?
Baribir, baribir seva-vera-veraman!
Sen ham menga zor-e!Â»

Â«Asalim, shakarim! GoÊ»zallar ichra
GoÊ»zal yor-yorimsan-e! (O-o!..)
Lekin menga baribir, yoqasanmi, yoÊ»qmi -
OÊ»zim bilmayman-e!
-Yoqdimi?Â»

Â«-Hm-m-m!..
OÊ»gÊ»il bola ham buncha beqarormikan!
Senga bir bor koÊ»z tashlovchi
Qizlar bormikan?
"Kaptiva"da yurarmish, saroyda turarmish!Â»

Â«Turamanu yuramanu qattigÊ»imni uraman!Â»

Â«Samolyotda ucharmish, qasrlar koÊ»rarmish!Â»

Â«Yuraman, turaman, ikkiga urib suraman!
Chegaralar, chegaralar, chegaralar bormu
Qaysarliklaringga-ye?
Baribir, baribir seva-vera-veraman!
Yaxshisi, uyingga bor-e!Â»

Â«Chegaralar, chegaralar, chegaralar bormu
Qaysarliklaringga-ye?
Baribir, baribir seva-vera-veraman!
Sen ham menga zor-e!Â»

Â«GoÊ»zalligingga mahliyo boÊ»lib, jonim,
KoÊ»zgudan ketmaysan sira!Â»

Â«-YogÊ»-e!Â»

Â«Beshbarmoq, lagÊ»mon, chuchvara, tuxumni
Qovurishni bilmaysan sira!Â»

Â«Turmush-hayotga tajribam juda ham xom!
QoÊ»limdan kelmasa ham, quyuqlab beray taom!
"Kaptiva"da yurarmish, saroyda turarmish!Â»

Â«Turamanu yuramanu qattigÊ»imni uraman!Â»

Â«Samolyotda ucharmish, qasrlar koÊ»rarmish!Â»

Â«Yuraman, turaman, ikkiga urib suraman!
Chegaralar, chegaralar, chegaralar bormu
Qaysarliklaringga-ye?
Baribir, baribir seva-vera-veraman!
Yaxshisi, uyingga bor-e!Â»

Â«Chegaralar, chegaralar, chegaralar bormu
Qaysarliklaringga-ye?
Baribir, baribir seva-vera-veraman!
Sen ham menga zor-e!Â»
