

## **Pig Destroyer "Flag Burner"**

Visit "[Flag Burner](#)" on [MotoLyrics.com](https://MotoLyrics.com)

Quixotic concept of examining foreign cultures  
As opportunities for brotherhood and mutual cultivation  
Instinctual xenophobia initiates conflict subjugation  
Exploitation and subsequently flawed assimilation

Our inbred star-bellied mentality  
Cannot differentiate between dissimilar and inferior  
A self-imposed quarantine from diversity  
Only serves to restrict our capacity

To evolve nationalism is a malignant cancer  
Which must be carved out  
By the blade of individualism
