"Autohag"

here they come, in pursuit of speed
drivin' danger, desire a breed
the manic mechanic and his loose-lipped whore
who screams in her dreams for a little bit more
but your mother wouldn't like it
mother wouldn't like it, just like a wet dream
mother wouldn't like it
(two plus mine??) and never went nowhere
(two plus mine??) and never went nowhere
vicious and insane
vicious and insane
vicious and insane
here she comes resigned in auto love
she fits a baby like a hand fits a glove
she's coming back in the peoples' key
move on over and give this sign (to me??)
yah know your mother wouldn't like it
mother wouldn't like it, just like a wet dream
mother wouldn't like it
(two plus mine??) and never went nowhere
(two plus mine??) and never went nowhere

vicious and insane

vicious and insane

vicious and insane

here they come, so hot their blood starts to boil

getting high from the rubber and oil

they come and sit(in sixth??) for the checkered flag

better move over for the autohag

you know your mother wouldn't like it
