blood and sand [x4]  
what world filled with black  
and which point of collapse  
becall you crystal gazers  
becall you philostines  
water melting  
decayed and angry  
collapse [collapse]...collapse [collapse]...  
collapse [collapse]...collapse [collapse]...  
what i can't runs[pulls] my fingers  
from the burning metal sign  
is this the only way to say a prayer?  
are your's the only eyes that stare?  
what world filled with black instead of

sedatives...sedatives...sedatives...sedatives...  
my nails will break my spine [my nails will break my  
spine]...  
my nails will break my spine [my nails will break my  
spine]...  
my nails will break my spine [my nails will break my  
spine]...  
my nails will break my spine [my nails will break my  
spine]...  
blood and sand [x8]
