...power!

See the skull the part of bone removed

The masterace frankinstine radio controls

The brain thoughts broadcasting radio

The eyesight television

The frankinstine earphone radio

The threshold brainwash radio

The latest new skull reforming to contain all

frankinstine controls

Even in thin skulls of white pedigree men

Visible frankinstine controls

The synthetic nerve radio productional antennae

\*?\* for yourself there is no escape

From this worst death being published(?)

I can not hear you

Motherfuckers

We will we will rock you

We will we will rock you

We will...rock you

Let tucker do the job

We will rock you

Yes we will

We will rock you

Just for a while

Whoo!

Don't know why we run around, angry

\*?\*

The worst of the \*?\* why are we so insane

What's the reason why we don't care anymore

I think this causes one big fucking war

So a war and i kill my love and dear oh...want more(?)

No problem baby

If i asked you what we see you what we see what we

see

And you want you want be

[start of song]

Take a look outside because i'm walking on glass

Thin ice in the future or a voice from the past

Forsaken dreams decaying in the four-way zone

Better look outside because i'm coming alone

Better look outside because i'm coming alone

[she goes here, and she goes there, she goes where

she may wanna go  
Wherever she may disappear he could see what he  
could see but do ya  
Really really wanna be me? do ya really really wanna be  
me? ha ha!  
Ha ha ha ha!]  
A many nights before i sang an innocent song [who!]  
Rejoicing in my ignorance i could do no wrong [i can do  
no wrong]  
Took a look out side for the first time afraid  
Outside the glass was shattered whe
