Well, I was feeling bored, so I typed this up. The band is Pigface, the album is _Gub_, the song is "Suck", and the yoghurt is warm. Please send all corrections by email to me, okey?

"Suck"

Suck suck suck
There is no God up in the sky tonight
No sign of Heaven anywhere in sight
All that was true is left behind
Once I could see now I am blind
Don't want the dreams you try to sell
This disease I give to myself

How does it feel?
Suck suck suck
How does it feel?
Suck suck suck

She makes it sweeter than the sun
I get too tired I come undone
I bow my head to confess
The temple walls are made of flesh
Runs up my arms 'til I must scratch
Itches the skin right off my back
I heal your wounds, I set you free
I'm Jesus Christ on Ecstasy

How does it feel?
Suck suck suck
How does it feel?
Suck suck suck

How does it feel?
Suck suck suck
...ad infinitum...
