Oh oh oh oh oh oh oh oh
Oh oh oh oh oh oh oh oh

Não vale mais chorar por ele
You're not worth crying for him

Ele jamais te amou (Jamais te amou) [2x]
He never loved you

Você sofreu
You suffered

Você chorou
You cried

Ele nem te ligou. [2x]
He not even called you

Quantas vezes vi você na solidão
There were many times I saw you alone

Chorando, sofrendo, era só desilusão
Crying and suffering, you were in total disillusion

Quem ama protege, faz tudo pelo amor
Who loves, also must care, can do everything for love

Seu coração está sofrendo por falta de amor
Your Heart is suffering for absence of love

Ele não te quis, não soube ser feliz
He didn't want you, he didn't know to make you happy

Quando percebeu já era tarde demais
When he has perceived it was too late yet

Como cristal quebrado, que não cola jamais
It's like a broken crystal that nobody can glue together

Ele tinha o seu amor, não soube dar valor,
He had your love, he didn't value it

Agora ele chora por falta do seu amor
Now he cries for the absence of your love

Por isso estou aqui pra conquistar o seu amor
Because of this, I'm here to conquer you love

NãŁo vale mais chorar por ele
You're not worth crying for him

Ele jamais te amou (Jamais te amou) [2x]
He never loved you

VocãŁa sofreu
