It's not easy when you think that everyone seems to be  
staring at you  
Walking the streets and you gaze at your feet  
Now are you feeling so blue  
Now walk away, as you can't face the day  
Yeah, there's something wrong

Just get this beat  
'Cause you need to go so deep  
Now it's been so long  
Take it all away now [x2]

I'm just paranoid [x3]

Is it you?  
Is it me?  
I'm on the edge of my seat  
Come on and tell the truth

Why can't you swear?  
You can't seem to forget all the things you've done  
Fight or flight  
Is it wrong is it right  
Why did you choose to run

Scared to go out  
You're unsure who's about  
Tell me what's going on

Just get this beat  
'Cause you need to go so deep  
Now it's been so long  
Take it all away now [x3]

I'm just paranoid [x3]  
Is it you?  
Is it me?  
I'm on the edge of my seat  
Come on and tell the truth  
[x2]
