[Chorus:]

Do what you wanna do*
What you wanna do
Do what you want
Do what you wanna do
What you wanna do
Do what you want

[Verse 1:]

Look at everybody lookin'
Checkin' a reflection
What do you see?
Scratchin' at the surface
Searchin' for a purpose
Who do you wanna be?
A Dick? A Jane? A King? Just a link on a chain?
And when you think this thinking drives you insane
It will
You need to get it out of your brain
And just...

[Chorus:]

Do what you wanna do
What you wanna do
What do you want?
Do what you wanna do
What you wanna do
Do what you want

Verse 2:

Makin' up your own rules
Swimmin' in your own pool
Changin' the game
Give your life a good shake
Do it for your own sake
Never the same
Be loud, be still, be anything you want and you will
Be anything as long as it's real
Do what you feel...
And just...

[Chorus:]

Do what you wanna do
What you wanna do
What do you want?
Do what you wanna do

What you wanna do
Do what you want
What it it you want?
