Well I don't know why you're leavin' no
No I don't know why you're leavin' no
You try to get up all nice and slow
But well I don't know why your leavin' no
You say you got somewhere to be
But I really don't wanna see you go

Woah

And it's rainin' outside anyway
Weatherman said rainin' all the day
Well it's rainin' outside anyway
Weatherman said rainin' all the day
You say you got somewhere to be
But I really don't wanna see you go

Woah

Cuz I know I know
That you're waiting for me
So you can adore me no
You can't ignore me
Now I know I know
That you're dieing to hold me close
Awww so baby baby don't go

Well it's lonely layin' in my bed
Well if only you could stay instead
Cuz it's lonely layin' in my bed
If only you could stay instead
Say you got somewhere to be
But I really don't wanna see you go

Yeah

Cuz I know I know
That you're waiting for me
So you can adore me no
You can't ignore me
Now I know I know
That you're dieing to hold me close
Awww so baby baby don't go

And it, it isn't hard for me to find
Somethin' to say to change your mind

Awww
It isn't hard to find

I know I know
That you're waiting for me
So you can adore me no
You can't ignore me
Now I know I know
That you're dieing to hold me close
Awww so baby baby don't go

La la la la la dah dah
Nah nah nah nah
