T-t-t-time fades  
L-l-l-love fades  
M-m-m-music fades

(Go)

I gave you my heart and you  
Took a stand  
Against the odds  
I gave you my watch, watch me

I, I took out some money  
And you, you took out the trash  
I asked you out on a date  
But you said no, no, no, no, no...

Please don't shower  
Deoderant stains on your back  
And please give me the power  
This feels like love but on crack  
And please don't wear any make up  
Please baby won't you shut the fuck up?

Coz you know that I love you  
And no words can describe this feeling  
That I'm feeling  
Hey...

Don't ever change  
Coz you know  
I don't like you...  
That way

No no  
Yeah yeah yeah yeah  
No no, no no  
Yeah yeah yeah yeah

Say you love me one time  
Say you love me two times  
Say you love me three times

Say you love me six times  
Say you love me nine times  
Say you love me eleven...times

Times  
Times  
Times  
Forever and ever and ever!
